

# Acknowledgments

---

I owe a debt of gratitude to my support team at Elsevier—Shelly Stringer, David Stein, and Heidi Pohlman—for helping a novice editor survive. My thanks also go to Dr. Anthony Winkel, whose idea this was in the first place.

*About the artist:*

The cover and section opener images were provided by photographer Mats Göran Hamnäs. Mats was born in Stockholm, Sweden, in 1947. He works as a data programmer and lives and works in southern Sweden, Helsingborg, and Malmö. Mats interests include design, art, and architecture. His intent with his feline photographs is to portray cats in their natural environment.
